S I R:

In response to the Office Action of March 22, 2004, Applicant elects the apparatus claims claims 1-14 and 27-30 for prosecution on their merits.

This election is made with traverse, as the inclusion of apparatus and methods claims in the same application has been standard Patent Office practice for many years.

It is therefore respectfully requested that the election requirement be reconsidered and rescinded.

It is also requested that the claims be amended as follows:

AMENDMENTS TO THE CLAIMS

Add two new claims 30 and 31, and amend the remaining claims as follows:
